

2014-2015 All Saints Referral Program

We recognize that current school families that are happy at All Saints are one of the strongest and most successful avenues to pursue in marketing the school to potential new families. We want to continue to **reward families** for their passion in being an All Saints family, and for bringing *new happy families* to ASCA. In order to accomplish the goal of increasing our enrollment and growth in the coming school year, we invite you to take advantage of the following opportunities to add a new student to our school community.

What does this mean?

- **Tell a potential school family about All Saints:** If they schedule a tour, and **return the form below on the day they visit** All Saints for their tour, each K-8 student in **your family** will receive a 'Pick a Day' Out of Uniform Pass to be used in the 2014-2015 school year. Remember to fill out YOUR family name on this form. Copies may be made.

Consider inviting potential school families to join us for mass on Wednesdays. Let families know that their potential student can schedule a shadow opportunity to see how they like ASCA.

- **Receive a Fundraising Obligation Credit:** When the family that you referred (and who toured and returned the form below) has registered, been accepted and completed their 3rd quarter of the 2014-2015 school year, your family will receive a credit to your 2014-2015 fundraising obligation as follows:
 - K-8 families will receive a \$250 fundraising obligation credit
 - Preschool families will receive a \$125 fundraising obligation credit

Think of all of your children's neighborhood friends, children that still attend your child's former school (there are potential car pool opportunities here), children at your student's dance or karate class, children from summer baseball or soccer, or swim class.....
