Grandparents' Day

Friday, May 2nd, 2014

8:15 to 10:30 a.m.

Here Are 10 Things You Need to Know!

1. Grandparents' Day is always a special day, giving grandparents a chance to experience All Saints first-hand, to see how vital a role All Saints plays in the lives of our students and their families, and to share their enthusiasm for All Saints education with their grandchildren.
2. This year, we have made positive changes and are taking extra steps to ensure that our grandparents are warmly welcomed and have an informative, stress-free and enjoyable visit at All Saints.
3. *This day is for grandparents... not for parents.* (Parents, we treasure you, but unless the grandparents have health or language issues that necessitate your accompanying them, please do not attend. You may wish to drop off and pick up, if practical, to help reduce parking and distance issues.)
4. *Please complete the registration form attached to this bulletin and return to All Saints by no later than Wednesday, April 23rd.*
5. We will not serve snacks and hot beverages prior to the event. In the past they have caused logistical issues and delays, and we believe the vast majority of our grandparents will have just recently had breakfast. (There will be bottled water available outside the gym before and after classroom visits.)
6. One of our biggest challenges on Grandparents' Day is the limited parking space we can offer. ASCA staff and volunteers will be encouraged to park in our Southwest and West lots and even at neighbors' homes, freeing up space in our South lot (at Door 1) and our East lot. Nevertheless, families are encouraged to car-pool or to arrange drop-off and pick-up, if practical.
7. Sign-in will be at Door 1 (main entrance, near St. Therese's statue), so use of Door 1 is encouraged. Seating will be available in the gymnasium before and after the classroom tours.
8. While some grandparents invariably show up early, there will be no scheduled activity other than sign-in until 8:15 when class visits begin, so arrival times between 7:40 and 8:00 are encouraged.
9. In past years, grandparents with more than one student to visit may have had difficulty organizing their time and movement from class to class. This year, multi-child grandparents who are pre-registered will be given sheets with each student's name and room numbers and suggested visit times.
10. *Last but not least, this is a big day for our students and grandparents! If we each just do the small, simple things – from pre-registering, to sending only grandparents, to helping alleviate the parking shortage – we are confident we can offer grandparents and students alike a blessed, enjoyable and memorable day at All Saints!*
