

All Saints Catholic Academy has had a **New Family Referral Program** in place for current school families for the past few school years which has resulted in school families earning a portion of their fundraising obligation by positively influencing a new family to enroll at All Saints.

We recognize that current school families that are happy at All Saints are *one of the strongest and most successful avenues* to pursue in marketing the school to potential new families. We want to continue to **reward families** for their passion in being an All Saints family, and for bringing new happy families to ASCA. In order to accomplish the goal of increasing our enrollment and growth in the coming school year, we are excited to bring back the

“Bring a Buddy to All Saints” Referral Program

What does this mean? We are looking to increase enrollment for the coming school year at the kindergarten level. When you are instrumental in bringing a new family to All Saints that has a new student who ***enrolls in kindergarten for the 2016-2017 school year***, you may potentially earn **\$500 of tuition credit!** Think of all of your children’s neighborhood friends, friends that still attend your child’s former school (there are potential car pool opportunities here), children at your student’s dance or karate class, children from summer baseball or soccer, or swim class.....

How will this work? When a family **new to ASCA** applies for enrollment for the upcoming 2016-2017 school year by July 31, 2016 and is accepted to All Saints, we will inquire whether a current school family played a role in bringing them to ASCA. If the student is enrolled in kindergarten, once this student completes the third quarter at ASCA, the current ASCA family will earn a **\$500 credit toward their 2016-2017 tuition**, which will be credited to their FACTS account in April of 2017. If a referring family has paid their tuition in full, a refund check will be issued at that time.

What if I bring a potential new student to ASCA that is not in kindergarten?

The “**Bring a Buddy to All Saints**” Program will be joining the **New Family Referral Program** as a potential way in which a family can be rewarded for their role in bringing a new family to All Saints. A family may be eligible to receive an enrollment incentive in one of the following two ways:

1. A family bringing in a **new ASCA kindergarten student** who is enrolled for three quarters will be eligible for a **\$500 credit towards tuition**.
2. A family bringing in a **new preschool or grade 1-8 student** who is enrolled for three quarters will be eligible for one of the following:
 - For a new preschool student – a **\$125 fundraising credit**
 - For a new grade 1-8 student – a **\$250 fundraising credit**

Please note that there is **no limit** to the amount of incentives that a family can earn. Newly enrolled ASCA families can only name one current ACSA family for referral purposes.
