

Scrip Order

Signature Form

In order to process scrip orders each week, it is imperative that we know if you would like your filled scrip order to: **1.) have it sent home with your child or 2.) picked up by you in the office.** Please fill out the form below and send it to the school office.

Once the form is received and you wish to temporarily change the delivery method of a particular scrip order, simply send a note with that scrip order with the instructions for the change and/or send an e-mail to scrip@ascacademy.org.

*****If we do not receive this form, we will hold your order in the office for pick-up.**
