

Teacher Appreciation Week

Our Teachers are Stars!

It's getting close to the end of the school year when we honor and thank our teachers for their dedication to our children. Teacher Appreciation Week will take place the week of May 5-9th. This year, we are asking parents to support our efforts in two ways:

- On Monday, May 5th, please send your kids to school with a freshly picked or purchased flower. We will provide teachers with a 12" vase so they can create a bouquet for their classroom.
- Gift cards for the teachers will be purchased with your donations along with a letter listing the names of all contributors. A donation of \$5 per child is suggested. **Please send donations, payable to ASCA, to the office with "Teacher Appreciation" noted in the memo by Friday, May 2nd.** Direct questions to Robin Gullborg at robinborg@sbcglobal.net.

Teacher Appreciation Week will feature the following:

Monday - "I'm a Fan Day" - In addition to the flowers you send, teachers will be welcomed to their classrooms with "Walk of Fame" Stars on their door

Tuesday - "Fan Mail Day" - Teachers will receive "fan letters" from their classes

Wednesday - "Red Carpet VIP Luncheon"

Thursday - A light breakfast will greet our "Stars" on this morning

Friday - Gift Cards will be distributed along with "Golden Apple" awards
