Thanking Our DDA Sponsors, Advertisers and Item Donors

To the Parents and Families of All Saints Catholic Academy Students –

As you may have experienced in person or heard from other school families, in mid-March All Saints had a very successful 10 Year Anniversary celebration of our annual Dinner Dance Auction.

Beyond being a very enjoyable social event, our Dinner Dance Auction is vitally important to our school community in at least two ways. First, the event brings us together as a community to celebrate everything good that All Saints means to us and our students, and to expand and strengthen the ties that bind us together. Second, of course, the DDA is our largest fundraising event each year, and provides important dollar inflows to our Operating Budget as well as to the year's special "Fund A Need" cause, this year's being Technology and funding "One-on-One Technology" throughout the school.

Thanks to Our Local Business Supporters Who Make It All Possible!

It is very important that, both as a school and individually within our community, we acknowledge the many generous business supporters who give us their backing in the form of Sponsorships, Business Ads and Auction Item Donations. Without that backing, there is simply no way the Diner Dance Auction could be the success it has been this year and in many prior years.

Listed below are our Sponsors, our Advertisers and our Business Auction Item Donors for the 10 Year Anniversary Benefit. Please review the list and notice the businesses you presently frequent or may in the future. When you visit one of these businesses, please mention that you are part of the All Saints family, that you are personally very grateful for their support of our school, and that you will mention their support to people you know. It may not seem natural at first, but it's an easy thing to do, and the businesses that support us really do need to hear that we recognize and truly appreciate them.

Thank you for your efforts in this and so many areas where you build support for our extended All Saints community!
