We will have all of your items cooled and waiting for you to pick up in the lunchroom at dismissal, with re-heating instructions. Because our food never contains preservatives, it is best if eaten within 2 days of delivery. And, for that same reason, if you don't pick it up at the designated time, we cannot keep or store it for you. If you are unable to pick up your meal, please call us as soon as possible so we can make other arrangements for getting you your food.
