PART ONE of a THREE-PART SERIES

Up Next: 40s & 50s: January 12
60 and better: April 12

What's going on? Dealing with issues of emerging adulthood? Beginning a career or stuck in student debt and underemployment? Thinking about married or single life, kids – yes/no/maybe/I don't know!?

Join in a discussion on these issues – and bring your own questions and observations – to an evening hosted by Wellspring on Monday, October 5, from 7:30 to 9:00 p.m. Panelists will explore the physical, emotional and spiritual challenges facing young adults at this life transition time in order to acknowledge them, and give support and resources. Their presentations will be followed by free-wheeling discussion with all participants.
